Dear Minister Stitt,

I write on behalf of **LEWIS TROJAN HORSE PTY LTD** (ACN 693 680 509), as Trustee of the **Owen Robert Inter Vivos Trust**, to bring to your attention an administrative matter concerning the Trustee's dealings with the Victorian Ombudsman in relation to the Lal Lal Wind Farm regulatory record.

The Trustee's principal Ombudsman matter, **C/26/3280**, originated with the **Statement of Matters of Public Interest concerning the Lal Lal Wind Farm**, lodged on 19 February 2026. The **Supporting Record and Analytical Memorandum** and associated documentary material were subsequently developed, with the updated and crystallised record provided to the Ombudsman in July 2026 for inclusion with the existing public-interest file.

Separate complaints have subsequently been lodged concerning aspects of the administration of the Lal Lal Wind Farm regulatory record by **Environment Protection Authority Victoria, the Department of Transport and Planning and Moorabool Shire Council**. The attached complaints record related, but substantively distinct, administrative matters concerning the respective conduct and responsibilities of those authorities.

These matters arise against the background of continuing reported impacts upon the **Beneficiary** and regulatory questions concerning the administration of Victoria's environmental protection framework, including the general environmental duty and evidence-based decision-making requirements under the **Environment Protection Act 2017 (Vic)**.

The Trustee is now experiencing difficulty obtaining basic administrative identification, status and clarification concerning its Ombudsman complaint records.

In particular, **C/26/15485** was assessed and closed on 24 August 2026. However, despite clarification requests made on 24 August, 1 September and 9 September, the Trustee has not received confirmation whether **C/26/15485** is the complaint reference assigned to the online complaint lodged on **14 August 2026** concerning Moorabool Shire Council's failure to substantively respond to the Trustee's **Condition 17** administrative enquiry.

That clarification is important because the description of the complaint contained in the Ombudsman's 24 August correspondence differs materially from the administrative matter identified by the Trustee in its subsequent clarification requests.

C/26/16454 was separately acknowledged by the Ombudsman on **2 September 2026**. The Trustee requested confirmation of the particular complaint, agency or subject matter to which that reference had been assigned. That administrative clarification also remains outstanding.

The Trustee is not asking you to intervene in, review or express any view concerning the merits of any complaint, and recognises and respects the statutory independence of the Victorian Ombudsman.

This correspondence is provided as a **notice of the present administrative position**. Given the existing public-interest record, the related complaints now before the Ombudsman, the continuing reported impacts and the statutory framework engaged, the Trustee considers it appropriate that the difficulty being experienced in obtaining basic administrative identification and clarification of its complaint records be brought to your attention.

For completeness of the Ministerial administrative record, the Trustee attaches the substantive EPA, DTP and Moorabool Shire Council complaints already lodged with the Victorian Ombudsman, together with the correspondence relevant to C/26/16454, C/26/15485 and the underlying Council Condition 17 enquiry. These documents are provided for context and record purposes only and are not provided for the purpose of seeking Ministerial determination of their merits.

The Trustee would appreciate advice as to whether there is an appropriate avenue within Victoria's integrity and accountability framework for addressing the present administrative position.

For transparency, the **Victorian Ombudsman is copied on this correspondence** and therefore has a further opportunity to provide the outstanding administrative clarifications directly.

Yours faithfully,

LEWIS TROJAN HORSE PTY LTD (ACN 693 680 509)
as Trustee of the **Owen Robert Inter Vivos Trust**
